Case No. 20-34114 (MI)

(Jointly Administered)

**THIRD SUPPLEMENTAL DECLARATION OF DMITRY KRIVIN
IN SUPPORT OF THE DEBTORS' APPLICATION FOR ENTRY OF
AN ORDER (I) AUTHORIZING THE RETENTION AND EMPLOYMENT OF
MCKINSEY RECOVERY & TRANSFORMATION SERVICES U.S., LLC AND
CERTAIN OF ITS AFFILIATES TO PROVIDE CERTAIN ORDINARY COURSE
CONSULTING SERVICES TO THE DEBTORS EFFECTIVE AS OF THE
PETITION DATE AND (II) GRANTING RELATED RELIEF**

I, Dmitry Krivin, declare as follows:

1. I am employed as a partner at McKinsey & Company, Inc. United States (“McKinsey US”) with an office at 175 Greenwich Street, New York City, NY, 10007. McKinsey & Co.² is the ultimate parent company of McKinsey RTS and its consulting affiliates (collectively with McKinsey RTS, “McKinsey”).³ I am duly authorized to make this supplemental declaration (this “Third Supplemental Declaration”), which is being submitted to supplement my Initial Declaration filed on September 18, 2020 [Docket No. 233-2], my

¹ A complete list of each of the Debtors in these Chapter 11 Cases may be obtained on the website of the Debtors’ proposed claims and noticing agent at <http://cases.stretto.com/Valaris>. The location of Debtor Ensco Incorporated’s principal place of business and the Debtors’ service address in these Chapter 11 Cases is 5847 San Felipe Street, Suite 3300, Houston, Texas 77057.

² All capitalized terms used but not defined herein shall have the meanings set forth in the Application and the Initial Declaration.

³ The term “McKinsey” includes any McKinsey entity that provides consulting (including bankruptcy advisory) services. The term “McKinsey” does not include investment affiliate MIO Partners, Inc. and its affiliated investment and advisory services related entities or their employees because they do not provide consulting and bankruptcy advisory services.

Supplemental Declaration filed on October 2, 2020 [Docket No. 302], and my Second Supplemental Declaration filed on October 26, 2020 [Docket No. 550] (collectively, the “Prior Declarations”) in support of the Application [Docket No. 233].

2. I submit this Declaration in accordance with sections 327(a) and 328(a) of the Bankruptcy Code, Rules 2014(a), 2016, and 5002 of the Federal Rules of Bankruptcy Procedure, and Rules 2014-1 and 2016-1 of the Bankruptcy Local Rules for the Southern District of Texas.

3. Except as otherwise noted, the statements set forth herein are based on knowledge I have from my employment position and diligence undertaken by me or professionals working with me and, if called and sworn as a witness, I would testify competently thereto.

Disclosure Regarding Disinterestedness of the Proposed Professionals

Client Connections

4. As described in more detail in my Prior Declarations, the Proposed Professionals⁴ undertook a comprehensive process to determine whether they had any connections or other relationships that might cause them to hold or represent an interest adverse to the Debtors, and connections previously identified were disclosed in my Prior Declarations.

5. Subsequent to filing the Second Supplemental Declaration, Debtors’ counsel provided counsel for the Proposed Professionals with the names of additional potential parties in interest, which the Working Group added to the Consolidated Interested Parties List, resulting in a further “Updated Consolidated Interested Parties List”. The Updated Consolidated Interested Parties List is attached hereto as **Schedule 1**. The Working Group used the same process described in paragraph 12 of the Initial Declaration to expand the list of additional interested

⁴ The Proposed Professionals are McKinsey RTS, McKinsey RTS UK, McKinsey US, McKinsey UK, McKinsey Austria, McKinsey Shanghai, and, as described in paragraph 11, the German office of McKinsey & Company, Inc. (“McKinsey & Company Germany”).

parties to include all corporate affiliates that shared a common parent with each of the additional interested parties. This list was added to the Consolidated Expanded IPL, resulting in the “Updated Consolidated Expanded IPL.” The people and entities listed on the Updated Consolidated Expanded IPL are the “Updated Consolidated Expanded Interested Parties”.⁵ In sum, this process expanded the 134 unique additional interested parties into 14,609 unique parties.

6. The Working Group also used the same process described in the Initial Declaration to compile an updated Client List, using an “Updated Look-Back Period” starting on May 26, 2017 and ending on November 30, 2020 (the “Updated Client List”).

7. The Working Group then used the same process described in the Initial Declaration to check the names on the Updated Client List against the Updated Consolidated Expanded IPL, and the scope of the check was intentionally broad and inclusive. This search captured both connections to the additional interested parties and any new connections on the Updated Client List. The resulting matches not previously included in the Prior Declarations are set forth on **Schedule 2** attached hereto.

8. To the best of my knowledge, based on the results of the surveys, McKinsey’s connections set forth in the Prior Declarations and herein (a) do not constitute interests adverse to the Debtors and (b) except as otherwise set forth in the Prior Declarations or below, involve matters unrelated to the Debtors.

Vendor Connections and Banking Relationships

9. The Working Group also compared McKinsey’s records of ordinary-course vendor and banking relationships during the Updated Look-Back Period against the Updated

⁵ Because of the voluminous nature of the various lists, they are not attached to this Third Supplemental Declaration. Copies are available upon request to the Proposed Professionals’ counsel.

Consolidated Expanded IPL, and the resulting matches not previously included in the Prior Declarations are set forth on **Schedule 2** attached hereto. To the best of my knowledge, as ordinary-course vendor and banking relationships, none of these relationships constitute interests adverse to the Debtors.

Surveys

10. In addition, the Working Group sent out supplemental surveys to supplement the results of the Surveys described in the Prior Declarations. The results of these supplemental surveys, to the extent not previously disclosed in the Prior Declarations, are reflected in the disclosures set forth herein.

Engagement Team

11. The Working Group also used the same process described in the Initial Declaration to determine whether any McKinsey employees had been added to the Engagement Team since the preparation of the Supplemental Declaration and to further determine whether any such additional employees resulted in any new Retained Affiliates.⁶ Two of the new members that were added to the Engagement Team are employees of McKinsey & Company Germany, which was not one of the Proposed Professionals previously identified in my Initial Declaration.⁷ Such additional Engagement Team members were included in the connection checking process described herein.

⁶ More specifically, the Working Group confirmed whether any McKinsey employees had been added to the Engagement Team during the period from September 1, 2020 through September 30, 2020, when McKinsey's services for the Debtors terminated.

⁷ As noted in the Prior Declarations, connections of all McKinsey consulting entities were previously searched and disclosed, including McKinsey & Company Germany.

MIO Disclosures

12. In addition, consistent with the Protocol, counsel for the Proposed Professionals sent the Updated Consolidated Interested Parties List and the Updated Consolidated Expanded IPL to counsel for MIO to facilitate MIO's search for connections. MIO then compared such lists to a list, compiled to the best of its knowledge, of its third-party investment managers, direct investments, financial counterparties and service providers (such as vendors) for the Updated Look-Back Period. Counsel for MIO then delivered the results of this comparison to counsel for the Proposed Professionals, and the resulting matches not previously included in the Prior Declarations are set forth on **Schedule 3** attached hereto. Based on the results provided by MIO, to the best of my knowledge, none of these relationships result in any of the Proposed Professionals holding or representing an interest adverse to the Debtors.

13. To the best of my knowledge, based on the results of the surveys, no member of the Engagement Team served on the MIO board of directors, or worked with any members of that board in their capacities as board members, during the Updated Look-Back Period. For completeness, I note that Sandra Scharf, one of the new members of the Engagement Team, previously worked for companies where current and former MIO board members were also employed; however, since joining McKinsey Ms. Scharf has not interacted, nor served any clients, with any MIO board members.

14. As a correction to my Prior Declarations, the current composition of the MIO board of directors includes current McKinsey & Co. partners employed by McKinsey US and McKinsey & Company Germany, as well as other McKinsey affiliates.

15. As noted in my Initial Declaration, one or more McKinsey consulting affiliates have invested funds with MIO solely for the purpose of satisfying obligations to guarantee benefits to Pension Participants in defined-benefit pension plans in Germany and Japan.

McKinsey & Company Inc., as Plan Sponsor, maintains investments in certain MIO funds in order to backstop the defined benefit obligations of McKinsey & Company Germany to participants in the German Pension Promise, all of whom are former or current employees of McKinsey & Company Germany.

25. As described in more detail in the Prior Declarations, McKinsey’s consulting affiliates provide services to an array of clients in restructuring and turnaround engagements. To the best of my knowledge, (i) all such relationships during the Updated Look-Back Period are set forth in the Prior Declarations, described herein or listed on **Schedule 2** hereto, and (ii) based on the review process conducted, as described in more detail in the Prior Declarations, (a) none of these relationships constitute interests adverse to the Debtors and (b) except as otherwise set

⁸ McKinsey & Company Germany is a German branch of McKinsey & Company, Inc., and is not a distinct legal entity from McKinsey & Company, Inc. Nonetheless, out of an abundance of caution, McKinsey used the gross annual revenue of McKinsey & Company Germany, which is less than that of McKinsey & Company, Inc. as a whole and provides a lower threshold for disclosure in order to provide additional transparency.

forth in the Prior Declarations or below, all of these relationships involved consulting matters unrelated to the Debtors.

26. As described in more detail in the Prior Declarations, from time to time, McKinsey provides overall strategic analysis and advice to companies that operate in the oil, electric power, and natural gas industries in which the Debtors operate, which analysis and advice could include review of and comment on strategic considerations with respect to the Debtors, among others, based on publicly available information. To the best of my knowledge, (i) all such relationships during the Updated Look-Back Period are set forth in the Prior Declarations, described herein or listed on **Schedule 2** hereto, and (ii) based on the review process conducted, as described in more detail in the Prior Declarations, (a) none of these relationships constitute interests adverse to the Debtors and (b) except as otherwise set forth in the Prior Declarations or below, all of these relationships involved consulting matters unrelated to the Debtors.

27. As described in more detail in the Prior Declarations, as part of its practice, McKinsey provides support to clients on purchasing and supply management relating to direct and indirect materials and services, including in the oil, electric power, and natural gas sectors. To the best of my knowledge, (i) all such relationships during the Updated Look-Back Period are set forth in the Prior Declarations, described herein or listed on **Schedule 2** hereto, and (ii) based on the review process conducted, as described in more detail in the Prior Declarations, (a) none of these relationships constitute interests adverse to the Debtors and (b) except as otherwise set forth in the Prior Declarations or below, all of these relationships involved consulting matters unrelated to the Debtors.

28. Certain McKinsey consulting affiliates, from time to time, have received non-cash compensation (such as equity securities or equity-like interests in a client) pursuant to alternative fee arrangements. To the best of my knowledge, McKinsey has no such relationship with any entity on the Updated Consolidated Interested Parties List, but nonetheless note that McKinsey has such relationships with the following entities on the Updated Consolidated Expanded IPL: Fair Financial Corp, Fortis Healthcare Limited, General Fusion Inc., Infotel Argentina S A,⁹ InfoTel Communications,¹⁰ OnMobile Global Limited,¹¹ and Zymergen Inc.

29.
